Poll: Luttrell Leads Field in TN-08

Kansas City, MO – Remington Research Group has completed a public survey of likely Republican primary voters in Tennessee’s 8th Congressional District. The survey was conducted February 29 through March 1, 2016. 686 likely Republican primary voters participated in the survey and the margin of error is +/-3.5%. The survey was paid for and commissioned independent of any campaign or committee.

The data show that Mark Luttrell would receive 26% of the vote, and the next closest candidate is George Flinn with 11%. All other potential candidates are in the single digits. 38% of voters are undecided.

Full ballot results below [FULL SURVEY RESULTS ATTACHED]:

Q: If the candidates in the Republican primary election for United States Congress were Brian Kelsey, David Kustoff, Mark Luttrell, George Flinn, Tom Leatherwood and Steve Basar, for whom would you vote?.

Mark Luttrell: 26%

George Flinn: 11%

Brian Kelsey: 9%

David Kustoff: 8%

Tom Leatherwood: 7%

Steve Basar: 1%

Undecided: 38%

In addition to his ballot strength, Luttrell possesses the strongest image rating of all the potential Republican candidates. 43% of likely Republican primary voters view him favorably with only 5% viewing him unfavorably. This is by far the strongest image rating of the field by more than double his nearest competitor.

Luttrell enjoys massive support in the Memphis media market where he receives 33% support. The Memphis media market anchors the district, comprising more than 71% of Republican primary voters.

“Mark Luttrell holds a strong advantage in the early stages of this race. In a winner take all primary, other candidates will have to spend significant sums just to match Luttrell’s current ballot position and favorability,” said Titus Bond, Director of Remington Research Group. “Mark Luttrell is the heavy early favorite in this Republican primary.”

Remington Research Group is a polling firm that specializes in automated IVR technology. The firm was founded in an effort to provide more reliable and affordable polling for campaigns throughout the country. Remington Research Group surveys have been featured in RealClearPolitics, Newsweek, U.S. News & World Report, the Wall Street Journal and numerous local media throughout the United States.
